Dear MMUN Faculty Advisors and Delegates,

Thank you for your commitment to and attendance at MMUN 56. As this year's USGO, I noticed all of the hard work that everyone put into their conference preparations throughout the year. Position paper submissions this year were all fantastic, and we, as staff, appreciate all of the hard work you have put into preparing for the conference. The conference would truly not be as productive as it was this year without your dedication to careful preparation.

MMUN 57 will mark my 13th year with the conference and I'm pleased to be returning as Secretary-General. With the conference moving to a new hotel, I'm looking forward to taking this opportunity as one of continued growth for the conference. We will continue to strive to make the conference the best that it can be for all involved.

Matthew Kitman

Secretary General
MMUN 57
