Dear MMUN Faculty Advisors and Delegates,

Thank you for your commitment to and attendance at MMUN 55. As this year's USGO, I noticed all of the hard work that everyone put into their conference preparations throughout the year. Position paper submissions this year were all fantastic, and we, as staff, appreciate all of the hard work you have put into preparing for the conference. The conference would truly not be as productive as it was this year without your dedication to careful preparation.

I started my MMUN journey in 2008, and I have thoroughly enjoyed spending time St. Louis during each of the last eight years, as a delegate, staff, and steering member. My experience this year as USGA has been a pleasure, and the impact that Midwest Model United Nations has had on my life is priceless. I want nothing more than for each and every one of you to gain as much as possible from Model United Nations, in whatever form those lessons might take for you.

I look forward to serving as Secretary General over the next year and can't wait to see you next year.

Rebecca Kemnitz

Secretary General  
MMUN 56
